

PREDICANA INC

Capability Statement

Predicana Inc. is a Science and Technology company specialized in Research and Development and implementation of cutting-edge solutions.

We leverage innovative solutions in Science and Technology to provide tailored solutions to problems and customers' needs.

Our portfolio of services includes Cloud Computing - to help customers to access computer resources on demand over internet and minimize cost; Software Development - that confirm to life cycle, SOLID and DRY principals with main orientation on scientific and engineering products; Scientific Research and Development – to help companies to stay competitive.

Predicana Inc is also Woman-Owned (WOSB) small business company.

Primary NAICS & PSC Codes

NAICS:

541330, 541380, 541511, 541519, 541618, 541618, 541690, 541713, 541715, 541990

PSC:

AC21, AC22, AC23, AC24, AG11, AG12, AG13, AG14, AG21, AG22, AG23, AG24, AG25, AG31, AG32, AG33, AG34, AG35, AJ11, AJ12, AJ13, AJ14, AJ15, AR11, AR12, AR13, AR14, AR15, B524, B529, B538, B539, B541, B543, B544, B599, DG01

Core Competencies

Cloud Computing

- Helping customers to access computing resources on-demand over internet, without the need to buy, own, or maintain physical infrastructure, and minimizing cost.

IT Infrastructure Management

Software Development

- Our approach of designing and implementing software solutions include goals researching, evaluating feasibility, analyzing requirements, coding, testing, release. And it confirm to SOLID and DRY principles with main orientation on engineering products.

Scientific Research & Development

- We help companies to stay competitive, improve productivity and create products that are difficult to replicate. We use programming as a tool to complete scientific tasks.

Past Performance

Predicana Inc. has a proven track through their founders to succeed in delivering high-quality solutions in software development with various programming languages, and various sections of Scientific Research & Development. They also succeeded in network configuration, building network from scratch, and network troubleshooting.

Its global vision allows to understand and adapt to the specific needs and preferences of the markets, not only for global growth, but also for profitable ongoing global operations.

Through their achievements and global vision, it has potential to build client base with high satisfaction rating.

Differentiators

Our Global vision contribute to the making of right decisions, and allow to explore unknown areas without fears.

Our 'Can do it attitude' allows to bring projects to positive outcomes.

Our force is in merging science and technology to function together.

Company Snapshot

UEI: M1H7RL96EFH6

CAGE: 02M64

Gov. Business POC: Lidia Kachanova

Phone: 1-561-592-7737

E-Mail: admin@predicana.com

Address: 1001 91st ST #310, Bay Harbor Islands, FL 33154

Work Area: Nationwide

Socio Economic:

- Women-Owned Small Business company.*
